FIT4FOOD2030 – DR. SÉBASTIEN TREYER ON HOW NEGOTIATIONS COULD HELP SHAPE FOOD SYSTEMS

Dr. Sébastien Treyer, Director of Programmes at the Institute for Sustainable Development and International Relations (IDDRI) in Paris is the FIT4FOOD2030 Advisory Board chair. In this interview that is part of a series, Dr. Treyer explains how innovations are helping to future-proof the European food systems in Paris, France, through negotiations between actors.

Environmental players are trying to form new types of coalitions with all actors of the food chain. He gives the example of the water agency, bakery sector and agricultural producers working together in the region of Paris.
