# LOCAL FOOD POLICY AS A KEY ELEMENT FOR A BETTER FUTURE FOR THE PLANET | OSSI MARTIKAINEN

This mini interview series was developed by FIT4FOOD2030 on World Food Day 2019.

Ossi Martikainen, Chair, Commission for Natural Resources, Committee of the Regions, talks about the importance of focusing the food policy discussion around the key players in local food delivery systems. A wider and deeper view into food system issues is needed to bring about change. Focusing on local food policies is a key element in bringing a better future for the planet.
