# WEBINAR 1: RESPONSIBLE RESEARCH AND INNOVATION IN THE FOOD SYSTEMS

The aim of the first webinar is to introduce the European food system, its challenges, and need for transformation to make it future proof. It also introduces the EU's research and innovation policy: FOOD 2030, which is a response to the food system challenges. Lastly, it gives an overview of the FOOD 2030 agenda, as well as some of the outcomes from the FIT4FOOD2030 project. This first webinar forms the basis on which the following webinars are based upon.

### *Webinar 1 speakers*

The webinar hosted three high-level speakers who talked about the following topics:

- Dr. Kelly Parsons: **"The European food system"** –
- Dr. Karen Fabbri: **"FOOD 2030: a research and innovation response to the food system challenges"**
- Prof. Jacqueline Broerse: **"FIT4FOOD2030 as case study; RRI and the systems approach for future-proofing food systems"**
