WEBINAR 3: TRANSFORMING OUR FOOD SYSTEMS: RESEARCH AND INNOVATION AS AN ENABLER OF THE FARM TO FORK STRATEGY

The third webinar explores how Research and Innovation, as advocated by the FIT4FOOD2030 project can act as an enabler for policy development. Jacqueline Broerse leads us through this topic. Then Anne-Laure Gassin from the EU Directorate-General Health and Food Safety (DG SANTE) presents the recently published Farm to Fork Strategy.

FIT4FOOD2030 Webinar 3

"Transforming our food systems: Research and Innovation as an enabler of the Farm to Fork Strategy"

Webinar 3 speakers

The webinar hosted two speakers who talked about the following topics:

- Prof. Jacqueline Broerse: **"The Farm to Fork Strategy: Research and Innovation as catalyst for food system transformation"**
- Anne-Laure Gassin: **"The Farm to Fork Strategy: For a fair, healthy and environmentally-friendly food system"**

The presentations are followed by a live panel discussion with representatives from the Directorate-General Health and Food Safety (DG SANTE) (Luis Vivas-Alegre and Henk Westhoek), the Directorate-General Agriculture (DG AGRI) (Kerstin Rosenow), the Directorate-General for Research and Innovation (DG RTD) (Karen Fabbri), and the Athena Institute of the Vrije Universiteit (VU) Amsterdam (Jacqueline Broerse).

Chrissie Brierley who is the deputy coordinator of JPI Healthy Diet for a Healthy Life moderates the live panel discussion.
